My dear Friend in Christ,

I would like to thank you very much, with all my heart, for your prayers and your generous donation for helping me to make the "Ponte Nuovo Project" come true.

I reciprocate your generosity with my prayers to my Saint Mom and my holy God according all the intentions you have in your heart, and I hope, with God's help and blessing, to be able to welcome you in these Holy Places in Ponte Nuovo one day... very soon!

May Our Lord bless you and keep you always!

Wishing you all the best,

Yours in Christ
